PERSONAL PROJECTS

LAPTOP PRICE PREDICTOR

- Developed a machine learning model to predict laptop prices based on hardware specifications like brand, RAM, CPU, and storage.
- Implemented a user-friendly web interface using Streamlit, allowing users to input laptop configurations and get price predictions.
- Performed data preprocessing and feature engineering, including calculating pixel density (PPI) for accurate predictions.
- Utilized scikit-learn for model training and evaluation, achieving high prediction accuracy.

PERSONAL PORTFOLIO WEBSITE

- Developed a personal portfolio website to display my skills and projects in web development
- Included an "Education" section to outline academic background and coursework
- Featured a "Projects" section with descriptions, technologies used, and project links
- https://github.com/LanchuNaik/My_Portfolio.git

E-COMMERCE WEBSITE DEVELOPMENT

- Designed and developed a fully functional e-commerce website, an Amazon Clone, using HTML, CSS, and JavaScript
- Implemented interactive features allowing users to select quantities, add, update, delete, and manage cart contents and make secure payments
- Demonstrated strong front-end development skills and user-centric design principles
- <https://github.com/LanchuNaik/Amazon-Clone.git>

ROCK_PAPER_SCISSORS GAME

- I designed and created an interactive Rock, Paper, Scissors game using HTML, CSS, and JavaScript
- The game allows players to choose between rock, paper, and scissors and then competes against the computer
- This project demonstrates my front-end development skills and my ability to build engaging user interfaces and also my commitment to creating interactive and user-friendly web applications
- <https://github.com/LanchuNaik/Rock-paper-scissors.git>

TECHNICAL SKILLS

JAVA

OOPS

HTML5 & CSS3

JAVASCRIPT

Python

C

SQL

GITHUB

Oracle db

SOFT SKILLS

- * Self Motivated and quick learner
- * Strong verbal and written communications skills
- * Analytical and Problem solving skills.
- * Proactive approach & Time management.

ACHIEVEMENTS

Recognized for academic excellence with the highest scores in both school and college.

Actively participated in various sports and cultural events during my academic journey, showcasing teamwork and leadership skills.

CERTIFICATES

Computer Course & Financial Accounting with Basic GST.

Java Programming Certificate.
